How Can We?

How Can We?

(A/N: I do not own Animorphs. K.A. and Scholastic do.)

~

How can we do the things we do?

How can we take the life from a living creature,

just because they are different?

How can we fight them,

when they are just trying to make their life better?

How can we kill them,

when maybe we are to blame?

How can we call them evil,

when we are just the same?

How can we hate them for taking our loved ones,

when we take theirs?

How can I fight this war,

how can I kill them,

how can I name call,

how can I hate them,

when I should hate myself?

How can we do the things we do,

and keep on living?
